

Zbigniew Stolarski

I am a Frontend Developer with 2 years of experience creating modern and responsive websites from scratch using top frontend frameworks. I am doing my best to create a user-oriented website that is accessible and with fast loading speed. I'm using my experience to pick the right tools to create a design that suits your specific requirement.

Work History

- 2021-09
- present

Projects

- 2022-03
- 2022-05

Social App
<https://fir-508b2.web.app/>
Social media app
Fully-featured social media application using React, Firebase, Redux, Express, and Material-UI.
- 2021-01
- 2021-02

Portfolio
www.zbigniewstolarski.pl
This is a website about me. It contains all my projects and easy contact with me.
 - Created with Vue.js styled with Bootstrap.
 - Contact form handled by a PHP file.
- 2021-02
- 2021-03

Pikachu Game
www.zbigniewstolarski.pl/#/furryGame
The game is about catching Pikachu without hitting the edges of the board. The ability to work on arrays and objects was essential.
- 2021-03
- 2021-04

Game Of Life
www.zbigniewstolarski.pl/#/gameOfLife
The game presents the process of cells reproduction. It is a zero-player game, meaning that its evolution is determined by its initial state, requiring no further input.
